POLISHFLOOR®

POLISH FOR FINISHED WOODEN FLOORS

<h3>Product description</h3>	<p>POLISHFLOOR® is a waterborne polish for all varnished wooden and cork flooring, vinyl and linoleum floors that gives a satin or gloss finish. Compatible with factory and site applied finishes POLISHFLOOR® is quick and easy to use, forming a protective film on the surface that prevents premature wear and aging of the finish. Odourless and non-yellowing POLISHFLOOR® reinforces the finish, enhancing the colour and naturally beauty of the floor.</p>
